\$85.00 (plus tax and gratuity)

In conjunction with the Hilton Head Concours d'Elegance, we invite you to join us as we celebrate our 6th Annual Tribute to the food and wines of Emilia-Romagna, Italy's greatest gastronomic treasure and wine producing region. It is also the home of the famed auto industry of Italy which produces some of the finest performance vehicles in the world. In fact, this year Maserati celebrates its centennial year! The diversity between the mountains and sea offers visitors to Emilia-Romagna breathtaking views. In addition the region produces some of the best foods in the world which includes the famed Prosciutto di Parma, Parmigiano Reggiano cheese, and aged balsamic vinegars from Modena. With Bologna as its capital it offers a world acclaimed university and is a hotbed for music, cinema and art appreciated nationally and internationally. Join us as Executive Chef Chris Johnson, named by Best Chefs America as one of the top chefs in the south, creates a four-course dinner paired with wines personally selected by Sommelier Ian Mason for this special occasion.

ALL WINES WILL BE AVAILABLE FOR RETAIL SALE
